

Benefits of being vaccinated with Woodcroft Vets

Our annual vaccinations are more than 'just a jab'. We pride ourselves on offering our clients a full vaccination package with lots of extra benefits, including:

- Extended 15-minute appointments.
- Experienced veterinary surgeons.
- Thorough head-to-toe health check.
- Free microchip check & anal gland expression if required.
- Free single dose wormer to protect against roundworm and tapeworm infections.*
- Support of our accredited hospital providing 24/7 emergency & in-patient care.
- All our RCVS approved centres have safe adjacent parking.
- Free urine examination.*
- 12 month membership to Woodcroft Vets' Pet Club for all dogs, cats and rabbits.
- Discounted Kennel Cough vaccine when given with the annual booster.

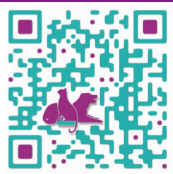

*See website for Terms and Conditions

Pet Club Benefits*:

- Free microchip.
- 50% discount on our initial referred care consultation fees (excludes behavioural and dental).
- Vaccination discounts – 10% for 2 pets, 15% for 3 pets and 20% for 4 or more pets on all vaccination fees.
- Free unlimited access to nurse clinics e.g. nail clips & dental, weight and flea checks.
- Reduced cost parasite packs. Buy 12 months parasite control for the price of 10, giving 2 months free (specific, recommended products only).
- 20% off early neutering, including laparoscopic / keyhole spays.
- Free introductory canine hydrotherapy session.
- 10% off program flea injections (cats only).
- 25% discount on blood screening (mini profile) for all routine dentals.
- Free Woodcroft Veterinary Group dog lead.
- Direct insurance claims performed free of charge (conditions apply).
